CONNECT 240 + 241 FOOD

Food-grade soft slide-on sleeve - EU 10/2011, EC 1935/2004, abrasion- and chemical-resistant

CONNECT 240 + 241 FOOD is the food-grade version of our standard 240/241 soft sleeve. The sleeve is manufactured with food-compliant wall and meets EU's primary food-contact regulations: EU 10/2011 (plastic materials in contact with food), EC 1935/2004 (general food contact) and EU 2015/174 (specific migration limits). This makes it ideal for food and pharma industry where the sleeve comes into potential contact with product during transport. 5 dimensions with hose ID from 38 mm to 70 mm match the AIRDUC FOOD series (350, 351, 355) and PVC variants (341, 345). The combination of food compliance, abrasion resistance and chemical resistance makes it a universally applicable coupling sleeve in process facilities.
